Words of Wisdom From Dr. Martin Luther King, Jr.:

"Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that."

"The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy."

"Injustice anywhere is a threat to justice everywhere."

"Every man must decide whether he will walk in the light of creative altruism or in the darkness of destructive selfishness."

"I look to a day when people will not be judged by the color of their skin, but by the content of their character."
