Words of Wisdom About January:

“Feeling a little blue in January is normal.”

Marilu Henner (1952 -) American actress, producer and author.

“I was born on January 8, 1942, exactly three hundred years after the death of Galileo. I estimate, however, that about two hundred thousand other babies were also born that day. I don't know whether any of them was later interested in astronomy. “

Stephen Hawking (1942 -) English theoretical physicist, cosmologist, author and Director of Research at the Centre for Theoretical Cosmology within the University of Cambridge.

“No one's ever achieved financial fitness with a January resolution that's abandoned by February.”

Suze Orman (1951 -) American author, financial advisor, motivational speaker, and television host.

“In January 1776, Thomas Paine issued 'Common Sense,' advocating independence from Great Britain.”

Mike Crapo (1951 -) The senior United States Senator from the state of Idaho, in office since 1999.
