### **Words of Wisdom about The U.S. Flag :**

*“I believe our flag is more than just cloth and ink. It is a universally recognized symbol that stands for liberty, and freedom. It is the history of our nation, and it's marked by the blood of those who died defending it.”*

**John Thune** (1961 - ) Senior United States Senator from South Dakota.

*“Our flag honors those who have fought to protect it, and is a reminder of the sacrifice of our nation's founders and heroes. As the ultimate icon of America's storied history, the Stars and Stripes represents the very best of this nation.”*

**Joe Barton** (1949 - ) United States Representative from Texas's 6th congressional district.

*“The American flag, Old Glory, standing tall and flying free over American soil for 228 years is the symbol of our beloved country. It is recognized from near and afar, and many lives have been lost defending it.”*

**Jeff Miller** (1959 - ), United States Representative from Florida's 1st congressional district.
