Words of Wisdom About Volunteers:

“Research has shown that people who volunteer often live longer.”

Allen Klein (1931 –2009) American businessman, talent agent, and record label executive,

“Be of service. Whether you make yourself available to a friend or co-worker, or you make time every month to do volunteer work, there is nothing that harvests more of a feeling of empowerment than being of service to someone in need.”

Gillian Anderson (1968 -) American actress.

“In the Peace Corps, the volunteer must be a fully developed, mature person. He must not join to run abroad or escape problems.”

Sargent Shriver, Jr. (1915 –2011) American statesman and activist.
