Words of Wisdom About Thanksgiving :

“I celebrated Thanksgiving in an old-fashioned way. I invited everyone in my neighborhood to my house, we had an enormous feast, and then I killed them and took their land.”

Jon Stewart (1962 -), American political satirist, writer, producer, director, TV host (The Daily Show), actor, media critic, and stand-up comedian.

“If you think about a Thanksgiving dinner, it's really like making a large chicken.”

Ina Garten (1948 -) American author, host of the Food Network program *Barefoot Contessa*,

“Even though we're a week and a half away from Thanksgiving, it's beginning to look a lot like Christmas.”

Richard Roeper (1959 -) American columnist and film critic

My restaurants are never opened on Thanksgiving; I want my staff to spend time with their family if they can. My feeling is, if I can't figure out how to make money the rest of the year so that my workers can enjoy the holidays, then I don't deserve to be an owner.

Michael Symon (1969 -) Award winning American chef, restaurateur, television personality, and author.
