Sally's Corner ...

Words of Wisdom from the late Andrew Jackson:

- *Every good citizen makes his country's honor his own, and cherishes it not only as precious but as sacred. He is willing to risk his life in its defense and is conscious that he gains protection while he gives it.*
- *The brave man inattentive to his duty is worth little more to his country than the coward who deserts in the hour of danger.*
- *One man with courage makes a majority.*
