Words of Wisdom from the late Dwight D. Eisenhower:

- *Leadership: The art of getting someone else to do something you want done because he wants to do it.*
- *There are a number of things wrong with Washington.
One of them is that everyone is too far from home.*
- *We have heard much of the phrase, “peace and friendship.” This phrase, in expressing the aspiration of America, is not complete. We should say instead, “peace and friendship, in freedom.” This, I think, is America’s real message to the rest of the world.*
