### **Words of Wisdom About 9/11 :**

*“Time is passing. Yet, for the United States of America, there will be no forgetting September the 11th. We will remember every rescuer who died in honor. We will remember every family that lives in grief. We will remember the fire and ash, the last phone calls, the funerals of the children.” - President George W. Bush*

*“The attacks of September 11th were intended to break our spirit. Instead we have emerged stronger and more unified. We feel renewed devotion to the principles of political, economic, and religious freedom, the rule of law and respect for human life. We are more determined than ever to live our lives in freedom.” - Rudolph Giuliani*
