Words of Wisdom About Harvests :

“We need to figure out a 'harvest system' to collect the produce that stores don't put out for customers to buy because it's not perfect looking. Frankly, the stuff left to rot in the storeroom is more beautiful to me than the perfect carrot. I'm a gnarly carrot kind of guy.”

Mario Batali (1960 -) American chef, writer, restaurateur and media personality.

“Our deep respect for the land and its harvest is the legacy of generations of farmers who put food on our tables, preserved our landscape, and inspired us with a powerful work ethic.”

James H. Douglas, Jr. (1899 – 1988) Lawyer and senior-level official in the United States Government. Serving under President Herbert Hoover, President Franklin Roosevelt & President Dwight Eisenhower.

“As soon as the harvest is in, you're a migrant worker. Afterwards just a bum.”

Nunnally Johnson (1897 – 1977) American filmmaker who wrote, produced, and directed motion pictures.
