Words of Wisdom About Heart Disease:

“Most women do not realize that heart disease is the #1 killer of American women.”

Monica Potter (1971-) American actress,

“I knew that my father was going to die of heart disease, and I was trying to make a heart for him.” **Robert Jarvik, M.D.** (1946-) American scientist, researcher and entrepreneur known for his role in developing the Jarvik-7 artificial heart.

“My father had a heart attack and he has heart disease. He had a full recovery, and I'm very lucky, but it certainly made him look at the way he's living and how he's treating his body.” **Cheryl Hines** (1965-) American actress, producer & director,
